In the matter of Appeal: Zoning for shed

To: Those it may concern
(Property owner within 200 feet)

You are hereby notified that Jaimie Baird has appealed from the action of the Zoning Officer of the Borough of Keansburg for a variance, interpretation, site plan, use variance, from section of the Development Ordinances of the Borough of Keansburg so as to permit:

(Describe your proposed construction project or use and specify the individual relief (variances) you are requesting)

I have replaced my existing vinyl shed measuring 12' w x 20'L'x8'6" H with an aluminum shed measuring 14'wx21'Lx9'6"H in my driveway, still within my property lines. The differences between the two sheds are the new one is aluminium, 2'wide, 1' taller and 1' long. The reason for the change is the vinyl shed was damaged during the storms we had so, I decided to get a more durable one without knowing a permit was required or that it would a zoning issue due to me still being within my property lines. On premises located at 2 Willow St., Keansburg, New Jersey Block: 76 Lot: 4

The Keansburg Planning Board of Adjustment has scheduled the hearing to be held on the 8th Day of August, 2022 at 7:00 PM in the Council Chambers of the Municipal Building, 29 Church Street, Keansburg, NJ as the time and place for said appeal.

You or your agent or attorney are privileged to attend said hearing and may present any and all objections which you may have to the granting of the relief sought in the petition. The application and related documents are on file in the Office of the Municipal Clerk and are

available for review and in-
spection.
