Zone: R-7
Base Flood Elevation: AE-11'
Design Flood Elevation: 12'

Dear Applicant:

I have received the above referenced application is to convert a dining room to a 3rd bedroom. The Application is denied. The applicant has submitted the following document in support of this application:

- Zoning Development Permit Application, dated 01/02/25.
- Copy of a survey prepared by Thomas Craig Finnegan, dated 12/26/2024.
- Hand drawn current floor plan, undated.
- Hand drawn proposed floor plan, undated.

The new construction would have to be setback from the property line as set forth in 22-5.5e for a distance of twenty-five (25) feet.

I have also included a second page of information that you may need to include in your notices should you wish to appear before the Board.

If you wish to pursue this application you are directed to the Keansburg Planning Board of Adjustment for a formal hearing to grant the necessary variances which would be needed to permit the construction and for final approvals. Please see the Planning Board Secretary, who will answer any question you may have regarding the Planning Board application.
